

*1.125" Surface mount pressure products;  
Pressure Sensor / Pressure Gauge*

## *IGS Pressure Sensor & Gauge*

Pressure Sensors for High Purity Fluids

### **Any seal types available**

- 1** *1.125" interface for C-Seal, W-Seal and others*
- 2** *Low pressure drop and quick displacement*
- 3** *Smallest analog pressure gauge in the world*
- 4** *Optional LED miniature display for 4-20mA; smallest digital monitoring display (red LED) utilizing 2-wire 4-20mA signal as its power*
